hp deskjet 450 series mobile printers

450ci • 450cbi

The HP Deskjet 450 series mobile printers deliver the complete mobile office printing solution for mobile professionals who need high-quality, high-performance desktop printing—anytime, anywhere.

high-performance mobility

- compact, lightweight, and stylish—yet power-packed for rugged, mobile use
- uncompromised desktop printing—photo-quality printing with up to 4800 by 1200 optimized dpi on premium photo paper and print speeds of up to 9 pages per minute in black and up to 8 pages per minute in color
- true-to-life photo printing—new hp PhotoREt IV six-ink technology is available with the purchase of a separate optional photo inkjet print cartridge

flexible connections

- seamless printing from mobile devices—for worry-free printing from any location the hp deskjet 450 printer connects to Windows® notebooks, Macintosh PowerBooks, Palm OS handhelds, Pocket PCs, Win CE handhelds, and select Bluetooth enabled mobile phones
- prints images from CompactFlash cards via digital cameras or Pocket PCs—without additional cables or PC connections

convenience

- wired and wireless connectivity options—includes USB and parallel ports for direct connectivity and for wireless printing Fast IR or optional Bluetooth capability
- high-capacity print cartridges that deliver up to 450 pages black and 400 pages color—with these specially designed print cartridges you don't have to pack extra cartridges when you travel and you can count on getting the reliable, high-quality output you need
- long-lasting Lithium-ion battery—with the power to keep up with the busiest users, the Lithium-ion battery prints up to 350 pages per charge and its compact design allows easy mobility (optional with 450ci, standard with 450cbi)
- integrated “pack-and-go” foldable sheet feeder—the hp deskjet 450 series mobile printers feature a foldable 45-sheet feeder that can handle specialty photo papers and note cards as well as letter-size paper, plus it doubles as a durable top cover

HP provides compatible, reliable, high-performance mobile solutions—notebook computers, mobile color printers, digital cameras, PDAs, and digital projectors—so you can do business when and where you need to.

features that ensure reliable mobile printing

- compact size and rugged design—fits into most notebook computer cases, drop-tested at up to 2.5 feet
- longer lasting ink cartridges—up to 450-page capacity black cartridge and up to 400-page capacity color cartridge reduce the need to travel with extra cartridges
- ink back-up mode—ensures that if either the black or the color cartridge runs out, the printer completes printing the job by using the remaining cartridge
- rechargeable Lithium-ion battery—prints up to 350 pages per charge, requires only 1.5 hours to recharge and you can keep printing while battery recharges (standard with 450cbi)
- foldable, integrated sheet feeder—doubles as a durable top cover for the printer
- wireless connectivity via Fast IR or optional Bluetooth accessory card
- plus optional accessories: 12 volt auto/airline adapter, and carrying case

mobility @ work mobility @ home

mobility @ work

immediate, on-demand professional printing, anytime, anywhere

When you are on the go 24/7 you need professional mobile tools that give you the competitive edge without weighing you down or holding you up.

You need:

- color printing capabilities anytime, anywhere
 - easily connects to your PC or Macintosh notebook computer so that you can print contracts or sales orders that are ready for your client's signature
 - through your Internet-connected portable device, you can print the latest marketing collateral and price lists
 - take photos of the property, insurance claim, or product prototype and print them directly from your camera's CompactFlash card¹
- a reliable solution
 - easy to set up and use with integrated, fold-up paper tray so you can print on your client's desk, in your hotel room, in the car, or even on the plane
 - the printer, the long-lasting battery, and the print cartridges have been environment tested, including temperature, vibration, and drop so you know this printer can go anywhere you go
- low total cost of ownership
 - your most valuable assets—your time and your clients—are protected with this highly reliable device that prints documents that reflect your professionalism and respond to your clients' immediate needs
 - with longer-lasting, high-capacity print cartridges you save time with less user intervention, you reduce cost with less frequent replacement, and you gain reliable, consistent-quality output

¹ Applies to digital cameras which support Digital Print Order Format (DPOF v1.1).

mobility @ home

total freedom with a high-performance, compact desktop-quality printer

Mobile professionals can use the printer they travel with to print at home and in the office because the HP Deskjet 450 series mobile printers provide the print quality and speed of a desktop printer.

One simple printing solution:

- while on the road, you appreciate the high print quality, speed, high-capacity print cartridges, and portability of the HP Deskjet 450 series mobile printers
- after you travel, you can easily connect to your home PC or Macintosh and print the results of your trip, the completed contracts, or your updated schedule
- at the office, you don't have to worry about connections or transferring files because you can conveniently set up your mobile solution at your desk and reliably use the familiar tools that serve you so well on the road
- printing up to 9 pages per minute in black and up to 8 pages per minute in color with a 45-page sheet feeder, the HP Deskjet 450 series mobile printers can print multi-page, high-resolution, color documents with ease while on the road or at your desk

service and support from hp

When you are traveling you need to know that all of your business tools are always ready and working at their optimum capability. HP's reputation for reliability and award-winning customer care ensures your productivity. The HP Deskjet 450 series mobile printers come standard with a one-year limited warranty backed by phone support from award-winning HP Customer Care. You can increase your support with an HP Express Exchange Supportpack.

complete mobile solutions from a trusted partner

Customers around the world count on HP to provide business critical support that gets results and contributes to business success. The HP mobile product portfolio ensures reliability, compatibility, and high-quality performance when and where you need it most—including notebook computers, handheld PCs and PDAs, digital cameras, and digital projectors.
