2300L • 2300 • 2300d • 2300n
2300dn • 2300dtn

expandable

The HP LaserJet 2300 Series black and white laser printers are the ideal solution for business professionals and small workgroups that have advanced printing needs. These dependable printers produce office documents quickly and easily, with consistent results.

- save time and paper while creating more compact, professional looking documents—use the built-in duplex printing unit (standard on d, dn, and dtn models) for convenient two-sided printing
- powerful networking provides a single printing solution for small offices and work teams—networking cards (optional on 2300, 2300L, and 2300d models) allow all your computers and workstations to use the same printer in every environment
- media capacity options reduce user intervention—all printers come with a 250-sheet input tray, 100-sheet priority feed, and a straight-through paper path for printing on heavier media; add an optional tray to increase your media-handling capability to a maximum of 850 sheets (standard on dtn model)
- add memory to handle even the most demanding printing tasks—expansion slots accommodate an additional 256 MB of RAM for increased printing capacity and responsiveness

performance

- superior print quality without sacrificing performance—25 ppm (20 ppm on 2300L) printing for letter-size documents with a mere 10-second wait for the first page out
- crisp, clear text gives your business documents a professional image—advanced print engine design delivers high quality 1200 dpi black text at maximum speed
- power-saving features reduce operating costs—powersave mode conserves energy when printer is not in use and instant-on fuser eliminates warm-up time while delivering fast first-page-out print time

dependable

- resolve maintenance issues quickly—a graphical display with two lines of text that explain the printer status and an online help feature that provides step-by-step instructions to troubleshoot problems or complete necessary maintenance
- easy printer and supplies management—the embedded web server allows you to keep on top of your printer supplies quickly, easily, and with minimum intervention
- exceeds expectations while providing peace of mind—by using a print engine from a time-tested, popular printer and adding refinements, you get reliable, high quality business printing at an affordable price

HP printing and imaging systems help you create powerful, professional communications easily. Printers, supplies, accessories, and services are designed together to work together and invented to meet your business needs.

hp LaserJet 2300 series printers

hp LaserJet 2300dtn shown

straight-through paper path for printing on heavier media including envelopes and special media types

two-line control panel display allows you to view status and resolve issues quickly

6,000-page hp LaserJet smart print cartridge

100-sheet multipurpose feed handles sheets 16 to 43 lb and 3 by 5 inches to 8.5 by 14 inches in size

250-sheet input tray handles sheets 16 to 28 lb and 5.8 by 8.3 inches to 8.5 by 14 inches in size

optional 500-sheet third paper tray

small footprint for desktop printing—starting at just 16 by 18 by 10 inches

series highlights

- fast print speed—25 pages per minute (20 ppm on 2300L)
- hp jetdirect network card for sharing over your office network environment (2300n/dn/dtn models only)
- powerful 266 MHz processor for quick delivery of your most demanding printing tasks
- instant-on fuser delivers fast 10-second first page out
- professional quality black text at true 1200 by 1200 dpi resolution
- expansion slots accommodate up to 256 MB of additional RAM for increased printing capacity and responsiveness
- built-in duplex unit saves paper and money by allowing you to print on both sides of the page (2300n/dn/dtn models only)
- hp embedded web server provides time-saving supplies status information—requires 48 MB of RAM

hp LaserJet 2300 series printers at a glance

hp LaserJet 2300L

- 20 ppm (letter)
- 266 MHz processor
- 32 MB RAM (expandable to 288 MB)
- 100-sheet multipurpose paper tray
- 250-sheet input paper tray
- straight-through paper path
- standard USB connectivity
- HP PostScript 3 emulation
- 6,000-page hp LaserJet smart print cartridge

hp LaserJet 2300

all the features of the 2300L plus:

- 25 ppm (letter)

hp LaserJet 2300d

all the features of the 2300 plus:

- built-in duplex unit for two-sided printing
- 48 MB RAM (expandable to 304 MB)

hp LaserJet 2300n

all the features of the 2300 plus:

- hp jetdirect 615n EIO 10/100Base-T internal print server
- 48 MB RAM (expandable to 304 MB)
- embedded web server

hp LaserJet 2300dn

all the features of the 2300 plus:

- built-in duplex unit for two-sided printing
- hp jetdirect 615n EIO 10/100Base-T internal print server
- 48 MB RAM (expandable to 304 MB)
- embedded web server

hp LaserJet 2300dtn

all the features of the 2300dn plus:

- 500-sheet input paper tray (for total input capacity of 850 sheets)
- embedded web server

reliable printing solutions that grow with your business

powerful performance for professional results

See what you've been missing when you print with the clarity that comes from 1200 by 1200 dpi resolution at speeds up to 25 pages per minute. The durable, time-tested print engine provides reliable printing at up to 50,000 pages per month. Your productivity gets another boost when you use the duplex feature that reduces paper usage by allowing you to print two-sided copies. And, with 266 MHz processing power and instant-on fuser that delivers your first print in under ten seconds, your large and complex documents print fast reducing productivity slowdown throughout your entire office.

worry-free printing

The simple operation features of the HP LaserJet 2300 Series Printers reduce time spent maintaining the printer so you keep focused on what you do best. The control panel features a two-line display allowing you to view printer status and resolve maintenance issues quickly.

get the most out of your hp printer

Keep on top of your supplies management with the HP LaserJet 2300 Series Printers and HP smart supplies. By using a network card to gain access to the embedded Web server, you can manage your printer supplies quickly, easily, and with a minimum of intervention. That's because HP supplies with smart technology work with the printer to provide supplies status information, configurable alerts, toner-low notification, and Web-based supplies ordering of authentic, reliable HP products. By using HP cartridges with smart technology, you're ensured consistent print quality from start to finish of the cartridge—no shaking needed.

award winning support from hp

HP provides you with a variety of support options to assist you in the setup and maintenance of the HP LaserJet 2300 Printer. Use HP's expert knowledge to help you make the most of your printer and ensure your equipment is running at peak efficiency. Start with a one-year, return-to-HP limited warranty, backed by free telephone support from the award winning HP Customer Care. To further guarantee trouble-free operation, to maximize the potential of your HP LaserJet printer, and to customize the printer for your unique business profile, consider upgrading service and support options such as installation, network installation, advanced maintenance, and post-warranty support.

maximize your IT investment

HP offers a comprehensive set of services and acquisition options that provide predictable cost structures and business efficiency gains—financing, user training, deployment strategies, regularly scheduled supplies and printer maintenance, and complete hardcopy environment management are available through HP Consulting, HP Outsourcing, HP Support, HP Education, and HP Finance. To find out more information go to the HP Services website at www.hp.com/hps

the hp networking advantage

HP offers flexible, reliable, and easy to install network connectivity solutions for businesses to connect their HP products. Whether it's simple but effective small business solutions, award winning network management tools for medium to large businesses, or secure wireless connectivity for the modern mobile workplace, look to HP for all your connectivity needs.

environmental ranges

Operating temperature: 59 to 89° F (15 to 32.5° C)
Storage temperature: -4 to 104° F (-20 to 40° C)
Operating humidity: 10 to 80% RH non-condensing
Storage humidity: 10 to 90% RH

power requirements

Source: 110-volt models: 110 to 127 volts (± 10%)
Frequency: Autoranging 50 to 60 Hz (± 3 Hz)

power consumption

Printing: 394 watts (2300L), 426 watts (2300/d/n/dn/dtn)
Standby: < 10 watts
Powersave: < 10 watts
ENERGY STAR®, Blue Angel compliant

acoustics

Noise level per ISO 9296
Sound power: 6.6 B(A) (2300L), 6.7 B(A) (2300/d/n/dn/dtn)
Sound pressure: 59 dB(A)

product certification

Safety Certifications: USA (UL-UL60950, FCC-CISPR22 Cl. B #, FDA-21 CFR Ch. 1, Subch J, Class 1 Laser/LED product), Canada (cUL-UL 60950, Industry Canada ICES 003-CISPR 22 Cl. B #). Certifications applicable to voltage associated with country option.

Electromagnetic Compatibility: Industry Canada ICES 003-CISPR22 (Canada), FCC Title 47 CFR Part 15 Class (USA)

warranty

1-year limited warranty, return-to-HP
