

HP LaserJet 3030 All-in-One

Laser printing, faxing, scanning and copying

The space-saving HP LaserJet 3030 All-in-One provides businesses with quality laser printing, faxing, and fast, letter-size flatbed copying and color scanning at an exceptional price.

All-in-One value

- **Powerful performance at an affordable price.** With printing, faxing, color scanning, and flatbed copying in one space-saving design, the HP LaserJet 3030 All-in-One gives businesses quality documents at an exceptional price.
- **Easily handles large, complex jobs.** The HP LaserJet 3030 All-in-One gracefully handles complex jobs with 32MB RAM and an additional 2MB of fax memory for storing important fax documents.
- **Outstanding paper-handling versatility.** The letter-size flatbed document glass lets you scan and copy a variety of documents including books and other bound documents while the 50-sheet automatic document feeder enables unattended scanning and copying of multi-page documents. A 150-sheet input tray and 10-sheet priority tray support a wide range of media sizes and types.
- **Do more and save more with four functions in one.** Integrated functions with one machine to save time and improve productivity.

Professional performance

- **Professional results every time.** Providing HP LaserJet quality, the HP LaserJet 3030 All-in-One creates professional documents with 1200 dpi effective output quality¹ and print/copy speeds of up to 15 ppm, giving your business the polished image you need to make the right impression.

- **Improved output makes the most of your time.** Instant-on technology delivers first page out in 10 seconds or less, letting you concentrate on your business instead of waiting for your documents.
- **Advanced OCR for more accurate scanning.** Readiris Pro 8 OCR (Optical Character Resolution) software ensures greater accuracy when scanning text. Consistent image quality is also promoted by industry-standard TWAIN 1.9 and WIA scanner drivers.
- **Low intervention for maximum productivity.** A 7,000 page per month duty cycle and easy-to-use 2,000 page print cartridges reduce intervention and simplify maintenance. Helping you to maximize productivity.

Space-saving design

- **Fast, space-saving and productive.** You get professional printing, faxing, scanning and flatbed copying in one space-saving device that maximizes your office space.
- **Scan what you need, when you need it.** The letter-size, flatbed design lets you scan and copy books and other bound documents.

HP LaserJet 3030

1. 50-sheet automatic document feeder enables unattended copying and scanning for large documents

2. Control panel features Fax controls, alphanumeric buttons, menu and cancel controls, copy controls and scan controls

3. Fast V.34 fax modem (up to 33.6 Kbps) plus two RJ-11 ports

4. Flatbed scanner copies a variety of documents including books and other bound documents

5. 7 one-touch keys for easy and convenient printing, scanning, copying and faxing

6. 150-sheet media input tray, 10-sheet priority feed

7. Parallel IEEE 1284-B level 2 device with an IEEE 1284-B receptacle with the host computer set to ECP; USB: compatible with 2.0 specifications

Readiris Pro 8 OCR (Optical Character Resolution) software increases accuracy when scanning text while the Industry-standard TWAIN 1.9 and WIA scanner drivers yield consistent image quality, giving you the results you expect

Faxing from ADF and glass, auto redial, billing codes, fax forwarding, fax auto-reduction, block fax barrier, fax delayed sending, polling-receive, distinctive ring detection

Black and white printing, black and white copying, black and white faxing, black and white and color scanning

32 MB RAM handles complex jobs

2 MB fax memory for storing important fax documents

front

back

HP LaserJet quality gives your business the polished image you need at a price that can't be beat.

Versatile and professional

Reliable, efficient performance is a necessity in a busy small office. The HP LaserJet 3030 All-in-One improves productivity in a variety of ways at an exciting price point comparable to many single-function printers. Now you can fax, scan and create high-quality documents with crisp 1200 dpi effective output quality¹ and fast print and copy speeds of up to 15 pages per minute.

Fast and convenient

Instant-on technology delivers the first page fast—in 10 seconds or less. And the production speed makes the most of your time by letting you concentrate on your business instead of waiting for documents.

Compact and economical

The space-saving flatbed design creates such a small footprint that the HP LaserJet 3030 All-in-One can fit almost anywhere without intruding on valuable desk space. In fact, the flatbed design requires substantially less space than many competing sheet-fed designs. Moreover, the HP LaserJet 3030 All-in-One provides a wealth of functions at one low price. Operating costs are low, in part because HP's 2,000-page single-piece print cartridges are so reliable and require so much less user intervention than competing print cartridges.

Superb paper-handling

A wide variety of documents can be scanned and copied, including books and other bound documents. The 50-sheet automatic document feeder enables unattended scanning and copying of multi-page documents while two other trays—a 150-sheet input tray and a 10-sheet priority tray—meet a range of other workgroup needs.

Built-in reliability

HP's time-tested LaserJet technology, unique print cartridge technology and state-of-the-art toner formula all play a major role in the reliability of the HP LaserJet 3030 All-in-One. Backed by HP's reputation for reliable, easy-to-use products, this remarkably affordable all-in-one device embodies HP's commitment to quality and excellence. Like all other HP products, it's designed together to work together for maximum reliability, efficiency and ease of use.

¹ 600 x 600 dpi with Resolution Enhancement technology (RET) and FastRes 1200.

HP LaserJet 3030 All-in-One

Technical specifications

HP LaserJet 3030 All-in-One (Product number: Q2666A)

Print	
Print speed	Up to 15 ppm
First page out	10 seconds
Print resolution	1200 dpi effective output resolution ¹
Print technology resolution	Resolution Enhancement technology (REI), FastRes 1200
Print language	HP PCL 6, HP PCL 5e, PostScript Level 2 emulation
Duty cycle, monthly	7,000 pages
Scan	
Scan resolution (color & monochrome)	9600 x 9600 dpi enhanced, 600 x 600 dpi optical
Scan input	Device front control panel scan, email, file buttons; HP LaserJet Scan software; HP Director (Macintosh), TWAIN-compliant or WIA-compliant software
Bit depth	24 bit
Scan size (from ADF)	2.9 x 4.1 in to 8.5 x 14 in
Scan technology	Charge Coupled Device (CCD)
Copy	
Copy speed	Up to 15 cpm
First copy out (from flatbed)	12 seconds
Copy resolution	600 x 600 dpi
Reduction/enlargement	25 to 400%
Maximum copies	99 copies
Copier settings	Contrast (lighter/darker), resolution (copy quality), reduce/enlarge, copy collation, number of copies, paper size
Fax	
Fax speed	3 seconds per page (Slerex page, standard resolution)
Fax resolution	Best: 300 x 300 dpi (no halftone), fine: 203 x 196 dpi, photo: 300 x 300 dpi (halftone enabled)
Fax memory ²	Up to 110 pages
Fax speed dial (max. numbers)	120 numbers (110 group dials)
Fax settings	Faxing from ADF and glass, auto redial, billing codes, fax forwarding, fax auto-reduction, block fax barrier, fax delayed sending, polling-receive, distinctive ring detection
Fax modem	V.34 fax modem (up to 33.6 Kbps) + 2 RJ-11 ports
Paper handling	
Automatic document feeder	Standard
Two-sided printing/copying	Manual
Media handling	Media input tray: 150 sheets, priority input tray: 10 sheets, automatic document feeder (ADF): 50 sheets
Output	125 sheets
Media types	Paper (plain, preprinted, prepunched, bond, color, glossy, letterhead, light, heavy, recycled, rough), envelopes, transparencies, labels, cardstock
Media sizes and weights	Media input tray and priority input slot: letter, legal, US envelope No. 5 (1.2 Baronial) through No. 11, US A2, US A6, index cards, US postcard, 3 x 5 to 8.5 x 14 in (16 to 43 lb); automatic document feeder (ADF): letter, legal, 5 x 5 to 8.5 x 14 in (16 to 24 lb); output bin: 16 to 28 lb
Memory	
Processor	32 MB RAM
Interface connectivity	240 MHz
Dimensions (w x d x h)	Parallel: IEEE 1284-B level 2 device with an IEEE 1284-B receptacle with the host computer set to ECP; USB: compatible with 2.0 specifications
Weight	19.6 x 15.8 x 14.9 in
Weight	26.4 lb
What's in the Box	HP LaserJet 3030 All-in-One, print cartridge, power cord, Getting Started Guide, support flyer, device software and electronic User's Guide on CD-ROM, 150-sheet media input tray, automatic document feeder (ADF), fax guide, phone cord, output bin support, device control panel cover

¹ 600 x 600 dpi with Resolution Enhancement technology (REI) and FastRes 1200.

² Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.
