

HP LaserJet 3390 All-in-One

Rely on versatility, great productivity, fast performance, and legendary HP reliability—all from one device that prints, copies, faxes and scans.

The fast performance you need

- **Accomplish more.** The HP LaserJet 3390 All-in-One (AiO) lets you print and copy complete, high-quality, documents in no time, at speeds of up to 22 pages per minute (ppm) letter.¹
- **Work confidently—this product won't hold you up.** Instant-on Technology delivers fast first page out speeds—less than 11 seconds copying and less than 8.5 seconds printing—so you won't waste valuable time waiting for output. You can pick up your completed job before our competitors' devices have even begun to warm up.
- **Enjoy superior quality with genuine HP print cartridges.** With HP Smart printing technology,² the HP print cartridge and the device work together to achieve consistent, outstanding print quality, enhanced reliability, and a system that is easy to use, manage, and maintain. Automatic alerts let you know when the cartridge is low or out, and you can depend on convenient online ordering with HP SureSupply™.³
- **Be flexible with enhanced finishing features.** Standard automatic two-sided printing helps you conserve paper. Plus, this compact desktop product multitasks—if someone is printing or copying, you can still receive that important fax you've been waiting for.
- **Rely on one product to print, copy, fax, and scan.** Relax, knowing you can count on HP's proven reliability—trusted by millions of people every day.

The productivity you deserve

- **Maintain your momentum.** With an optional 250-sheet input tray 3, you can get a total input capacity of up to 500 sheets, which means you can print more pages with less intervention and depend on the product to be ready when you need it.
- **Increase workteam efficiency.** The product effortlessly handles your volume demands with 64 MB memory (expandable to 192 MB), 4 MB fax memory, and a fast, reliable engine.
- **Manage your All-in-One simply.** HP ToolboxFX lets you interact with your product from the comfort of your desk, with configuration, status, and support for every feature.

The versatility you expect

- **Get comprehensive print language support.** Print complex documents with built-in support for HP PCL5e, HP PCL6, and HP postscript level 3 emulation.
- **Share the All-in-One capabilities.** Easily and reliably connect multiple users with standard 10/100Base-T Ethernet networking or take advantage of easy direct connections with the Hi-Speed USB 2.0 port.

HP printing and imaging systems help you create powerful, professional communications easily. Printing and imaging devices, supplies, accessories, and services are designed together to work together and are invented to meet your business needs.

¹ Copy at up to 19 ppm letter using the automatic document feeder.

HP LaserJet 3390 AiO shown

Ideal for small offices and workteams, this reliable performer increases productivity in a compact, desktop design.

All-in-One efficiency

In the past, businesses have relied on a number of independent printing and imaging tools, including printers, fax machines, scanners, and copiers to provide the versatility they needed in order to communicate most effectively. Now, you can simplify your office environment and get all the features your workteam needs in one space-saving solution.

Consider some of the benefits of an HP LaserJet All-in-One:

- Reduce costs and increase efficiency by sharing AiO functions over a network.
- Manage fewer supplies, reducing total cost of ownership, storage, and service interruptions.
- Customize device settings to best satisfy your specific needs and simplify device and supply management with easy-to-use software utilities.

Legendary HP reliability

The reliability of HP equipment, support, and service provides the solid foundation for user productivity. In fact, HP recently won its 14th award in a row from *PC Magazine's* "18th Annual Reader Satisfaction Survey." Readers evaluated printer manufacturers on a variety of criteria, including reliability and the quality of technical support. Instead of experiencing frustration and expensive downtime, users can get their work done!

HP Smart printing technology advantage⁴

HP papers and HP LaserJet print cartridges are designed to work together with HP printing devices, so you can depend on producing consistent, high-quality documents. HP designs its print cartridges to produce the clarity needed for halftone images, smooth grayscales, and fine detail. HP Smart printing technology is activated every time you install an HP print cartridge, allowing you to monitor your current supplies, order new supplies, and print successfully every time. And each HP print cartridge continually adjusts toner properties to ensure high-quality output over the life of the cartridge.

Award-winning HP support

HP offers a variety of support options to assist you in the setup and maintenance of the HP LaserJet 3390 AiO. HP's expert knowledge will help you make the most of your All-in-One and ensure your equipment is running at peak efficiency. Start with a one-year, limited warranty, backed by free telephone support from the award-winning HP Customer Care. To further guarantee trouble-free operation and maximize the potential of your HP LaserJet All-in-One, consider upgrading service and support options such as installation and extended-warranty support.

⁴ Using genuine HP supplies ensures availability of all HP printing features.
