TOP FEATURES

Make printing professional documents more affordable

Produce professional color documents for the lowest cost per page compared with in-class inkjet all-in-ones.[1] Four individual HP Officejet ink cartridges make printing more affordable.

Print without a PC using web-connected solutions

When you are in the office, apps enable you to print the forms and documents you need most frequently from your e All-in-One—without returning to your PC.[2] The product's touchscreen puts web content and product functions at your fingertips. HP ePrint mobile printing—print business documents from your mobile device when and where you need them. Whether you're on the go, in the office or at home, you can easily print e-mails, business materials, presentations and more anytime, anywhere directly to your HP printer. Stay productive by printing on your time—use a smartphone, notebook or anything capable of sending an e-mail.[3]

Print stunning, fade-resistant photos and laser-quality text

The HP Officejet 6500A e-All-in-One series makes a long-lasting business impression with professional-quality color and exceptional fade and water resistance. Archived documents retain text and color quality for decades.[5]

Get the most out of your printer with HP accessories, supplies, and services.

HP Services

Because downtime can have serious business consequences, this All-in-One comes with a standard one-year warranty including industry-leading onsite exchange service.

In addition, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery—even across multiple locations.

These services and additional coverage options can be purchased as:
• HP Care Pack Services: easy-to-buy, easy-to-use support packages
• HP Contractual Services: a comprehensive portfolio for maintaining maximum IT availability

[1]Based on ppm measured using ISO/IEC 24734. Standard applies to inkjet and laser products and excludes first set of test documents. For details, see www.hp.com/go/inkjetprinter. [2]Either after first page or after first set of ISO test pages. For details see www.hp.com/go/printerclaims. [3]Maximum resolution is limited by available computer memory, disk space, and other system factors. [4]HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. [5]Simplex printing with A4 size paper. [6]Requires caller ID service, not included. Price and service are subject to contract. [7]Average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. Some ink from included cartridge is used to start up the printer. For details, see www.hp.com/go/learnaboutsupplies.
